but less than two years. Dr. Fisher and Dr. Peyton stated their concern with the amount of time the applicant has been out of practice and what effect that might have had on his skill set. After much discussion, Dr. Fisher moved to table the application pending a personal appearance by the applicant before the Board with the provision of a minimum of two endorsements from his colleagues at that time for Board review. Dr. Peyton seconded the motion and the vote was as follows:

Mr. Gary Isbell:	NO
Marvin D. Peyton, MD:	YES

R. Darryl Fisher, MD :	YES
Mr. Harold Wardlow:	YES

The motion carried. After the vote, the Board continued the discussion regarding the benefit of having this applicant observed in a practice setting over a period of time. Mr. Friedrichsen stated that observation of this applicant for a dozen perfusion cases could be considered reasonable. Mr. Kelsey read the law regarding applicants for renewal who have been out of practice for more than 90 days but less than two years. (*See Title 59 Okla. Stat. § 2065.C*) Following further discussion, Dr. Fisher and Dr. Peyton moved to rescind their original motion. Mr. Friedrichsen seconded the motion and the vote was unanimous in the affirmative.
