Next, **STEVEN HAWLEY** appeared in support of his application for renewal of Licensed Perfusionist licensure. Mr. Hawley provided two professional endorsements for the Board's review and stated that he felt as if some period of professional observation was reasonable. support of Mr. Hawley. Following much Board discussion and based on the fact that applicant has been out of practice for approximately one year, Dr. Fisher moved to approve the application for full licensure of **STEVE HAWLEY** conditioned upon supervision by a licensed perfusionist for 12 cases, to be completed within six (6) months, with a satisfactorily written report received from Supervisor on Applicant's competency at the conclusion of those 12 cases.
